RECHECK POLICY FOR GLASSES AND CONTACTS - *please read and acknowledge*

1. All professional fees are due and payable at the time of service and are non-refundable.
2. If a courtesy spectacle recheck is needed, it must be done within **30 days** from your initial exam. If a recheck is done 31 days after the initial exam, there will be a $32 recheck fee. After 6 months, a comprehensive exam is required.

For our patients who will be fitted for contact lenses

1. The contact lens evaluation fee covers only visits related to the fit of the contact lens. Fit related issues may include the comfort of the lens and the visual acuity achieved with the lens. Fit related issues DO NOT include, and are not limited to red eye associated with or without contact lens wear, scratched corneas from lens insertion/removal or torn lens, contact lens solution sensitivity, contact lens lodged in the eye, or dry eyes, etc.
2. Any follow up visit due to the fit of the contact lens will be covered by the contact lens fee, up to 3 follow up visits. Any follow up visit after the 3rd follow up visit or after 60 days, will be charged the appropriate professional fee. **Therefore, it is important to keep all follow up visits to achieve the optimal contact lens fit within the 60 day global period.** If you are using insurance, the contact lens follow policy set forth by your insurance company will be used.
3. A refit to another lens may require an additional contact lens evaluation.

I acknowledge that I have received, read, and agreed to the policies listed above
